Celtic Spirituality Nights take place the last Saturday of every month at the Cathedral Church of the Nativity 321 Wyandotte St. Bethlehem, PA.

Celtic Spirituality Nights are a time set apart for an experience of reflection, a spirit of hope, wholeness, and peace in the Celtic tradition.

During this time of social distancing, the format of the experience has found expression in Celtic Music and Poetry. We pray you find a peace that passes all understanding and spirit of hopefulness.

Note: In respect to copyright, poems cannot be published. Poems are referenced for your ability to find and purchase from their sources.

Thanks is given to Abigail and Allison Gillespie for offering their significant musical abilities in this difficult time.
