### **A Meditation for Spring**

**The Very Rev. Tony Pompa**

#### **The Cross**

In the depth of the soil is planted our weakness. God meets us there with power and raises the fruit of our lives for its offering.

(2<sup>nd</sup> Corinthians 13:4 -reference)

#### **The Invitatory Bead**

Come away with me all who can hear and see and let us offer our wonder and awe; For our God creates beauty and takes delight in all of creation.

#### **The Cruciform Bead**

Springs of water, seas, and streams, birds of air, and whales at sea, mountains and hills, fields of blossoms, and all with heart and soul; glory to YOU who takes delight in us. (Song of Three Young Men, reference)

#### **The Weeks**

Wonderfully made, we are yours O Lord.
