

Friends!

God does know that we are so much better together!

It is that time of year when we are asking one another to celebrate again who we are and what we do together in God's name. Together, we have continued to be resilient, adaptive, and mission focused. We have more than met every challenge, committing ourselves to the future of this Cathedral's place in our community and daring to continue to worship with joy, serve with courage, and give thanks for a community of love.

Change is our obvious companion and changes too in leadership are before us. History will show that at this moment of time this Cathedral community will have borne witness in its commitment to Christ that will bear fruits of thanksgiving for the generosity we have received. Let us share our time, our talents, and our treasure again and again and again!

Over the next few weeks, you will be invited to come on a journey of faith, celebration, and discern your ability to give of your resources. Stories will be shared through written word and social media. Please consider your support by making a commitment to our life in mission and in recognition that God is at work!

An ingathering will take place the week of November 21-28, 2021. You will be hearing more from us. For more information, you can visit [www.nativitycathedral.org/ttt.html](http://www.nativitycathedral.org/ttt.html). In the meantime, know and celebrate that God is at work!

Yours in Christ,
