

Stretching toward the love of Christ

November 10, 2019

My wife and I have been lifelong Episcopalians and members of Nativity Cathedral since 1989. The Church has always been very important in our family's lives; in fact, we met at church! We feel that God's Love has been shown to us at Nativity through the many welcoming, committed and giving people who have touched our lives in community and prayer. It has been a blessing to live here most of our lives; God's Love has showered us with many personal miracles in medical issues and escaping injury in several major accidents.

Our Faith Community must continue to show our Love to the wider community with programs like Canon Stephen's Cathedral Arts, Dean Tony's Celtic Services, Fr. Dale's Outreach Ministry and our Campus Plan to help share our resources with the community. Having served on the Vestry, currently, I am a member of the Stewardship and Personnel Committees. With God's help, I will continue my financial support of Nativity. We must share our Love to continue to make Nativity both beautiful on the outside, and more importantly, on the inside with loving, giving people.
